Foreword

This is the 37th annual sale of pedigree Texel Rams being held on the instructions of the Shropshire & Borders Texel Club. The sheep in the catalogue will provide prospective purchasers with excellent rams for both Pedigree and crossing purposes.

The benefit of using Texel sires for prime lamb production has become increasingly obvious in the last few years. Lambs sired by Texel sires command a premium in local livestock markets.

The sale will be preceded by the Show, which is to be judged by

Mr. Robert Jordan of the Moortown flock

Show to commence at 9.00am on the morning of the Sale

Show Classes

Rosettes will be awarded to 1st, 2nd, 3rd, 4th, 5th & 6th Prize winners together with:-

Class 1	Shearling Ram	1st £25	2nd £15	3rd £10
---------	---------------	---------	---------	---------

Class 2	Ram Lamb	1st £25	2nd £15	3rd £10
---------	----------	---------	---------	---------

Champion Ram £100 plus rosette & Shropshire & Borders Texel Club Trophy

N.B. Any lot not subsequently sold will forfeit prize money and/or award

Show classes kindly Sponsored by TWS Livestock Services & Maelor Feeds

NOTES TO VENDORS

ARRIVAL times – All sheep must be penned by 9am on the morning of the sale.

MINIMUM WEIGHTS – Shearling/Senior Rams to be a minimum of 85kgs & Ram Lambs to be a minimum of 55kgs.

INSPECTION – All sheep will be inspected & those rejected will not be allowed in the sale area. The decision of the senior inspector is final.

MINIMUM SELLING PRICE – Shearling Rams 300gns & Ram Lambs 250gns. Any sheep sold outside the ring MUST be put through the Auctioneers books at or above the relevant minimum selling price.

SUBSTITUTE – One per ten thereof of sheep entered per vendor will be allowed & will be marked with a red dot. Only one non-homebred Shearling will be allowed & all ram lambs must be homebred.

LOT NUMBER TAGS – These will be available in the market on sale morning.

CONDITIONS OF SALE

All sheep will be sold under the Auspices of the Texel Sheep Society and the Conditions of sale relevant to individual sales. These can be viewed at texel.uk/societyrules

Auctioneers also display copies of the Conditions of sale within the auction house.

DISCLAIMER

The pedigree, performance, genomic information stored by the Society in the iTexel database and published on society pedigree certificates, reports and general publications is as supplied by, or on behalf of the breeder. The responsibility for the accuracy of the information therefore rests solely with the breeder and not with the British Texel Sheep Society Ltd (BTSS).

Health information and footnotes that are stored in iTexel and published in sales catalogues produced by the society, is supplied by or on behalf of the vendor. The responsibility for the accuracy of the information therefore rests solely with the vendor and not with the British Texel Sheep Society Ltd (BTSS).

Performance data and breeding values change over time as new data becomes available.

Whilst every effort is made to ensure accuracy of the information contained in society reports and publications, no responsibility can be accepted by the Society for any errors or any reliance on the use of information. No warranty is given in respect thereof by the BTSS and, to the maximum extent permitted by law, the BTSS have no liability for any loss, damage or injury howsoever caused (including that caused by negligence) or suffered directly or indirectly in relation to information and opinions contained or omitted from BTSS publications.

Unlock the Genetic Potential of Your Texels

Genotyping provides the confidence and information today's breeders and buyers rely on, delivering:

- + Verified pedigrees through parentage verification
- + Valuable health information (see table below)
- + More accurate performance figures, particularly in young lambs
- + Greater confidence when selecting future breeding stock
- + Faster genetic progress in commercially important traits
- + Trusted information that adds value for potential buyers

	Scrapie	Microphthalmia	Maedi Visna
Most resistant (desirable)	ARR/ARR	G/G	1,1 4,4 1,4
Genetically resistant, need careful breeding selection	ARR/AHQ ARR/ARH ARR/ARQ	C/G (Carrier)	
Little resistance, need careful breeding selection	AHQ/AHQ AHQ/ARH AHQ/ARQ ARH/ARH ARH/ARQ ARQ/ARQ		
Susceptible, can be used to breed towards more resistance			*,1 *,4 1,* 4,*
Most susceptible			2,2 3,3, 2,3

ET donors (born from 2025-onwards) and males to be registered must be genotyped otherwise their progeny will not be able to be added to iTexel.

All other stock can be genotyped to provide more flock insights. DNA kits can be requested for any animal as soon as it has been added to iTexel.

Scan the QR code to learn more about the Society's genotyping service

New Stock Rams

Remember to register your new stock rams before 1st December to benefit from the lower registration fee.

Already genotyped?

- Email registrations@texel.co.uk with your proof of purchase.
- Once confirmed, your ram will be transferred into your flock.

Not yet genotyped?

- Request a DNA kit through the DNA Kit page on iTexel.
- Take the sample and return it to the Society office.

Performance Pays with Texel Indexes

Breed Better. Buy Smarter. Reduce Risk.

Texel Performance Indexes are designed to help commercial producers and pedigree breeders identify animals with the greatest potential to improve flock profitability.

Higher Value = Higher Potential

Animals are ranked to make selection simple; high index Texel rams (Top 5% and above) add over £650 to their commercial progeny compared to those ranked as average.

Which Index?

Prime lamb producers should use the **terminal index** as this is weighted for meat production. Pedigree breeders and producers retaining female replacements should use the **replacement index** as this balances maternal and carcass traits.

TEXEL SHEEP SOCIETY | TEXEL SOCIETY (TXL)

10 TEXEL SOCIETY JAMES BOND **TXL2601234(1)** **Born: 01/04/2026**

Scrapie: ARR/ARR | Microphthalmia: G/G | MV: 1,4

Inbreeding 0.0

DNA-verified sire **TEXEL HULK** by **STONELEIGH FOREMOST**

DNA-verified dam **TXL2409050(2)** by **TEXEL GREATEST SHOWMAN**

	Growth	Musc. wt	Fat weight	Repro.	Index	Index Acc.	Ranking
Terminal	TOP 1%	TOP 1%	TOP 1%	AVG+	£11.68	82%	TOP 1%
Replacement	TOP 1%	TOP 1%	TOP 1%	TOP 25%	£11.79	81%	TOP 1%

Sub-indexes for growth, muscle and fat weight and reproduction allow breeders and commercial producers to identify animals that offer advantages in areas to suit their production goals. E.g. targeting a ram that ranks highly for fat weight for mating to lean females, to produce lambs that finish well.

Accuracy Matters

Indexes are backed by an accuracy percentage - giving confidence in how reliably an animal will pass traits on to the next generation. Higher accuracy reduces risk and supports confident breeding decisions.

Why Use Performance Information?

- ✓ Improve flock efficiency
- ✓ Increase carcass value
- ✓ Breed replacements with stronger maternal traits
- ✓ Make informed purchasing decisions
- ✓ Select genetics with confidence

PRODUCE SALES

CONFERENCE CENTRE FACILITIES

Long established as the main auction outlet for livestock in Mid Wales and the borders and still being reputed the largest prime lamb market in Western Europe, Welshpool Livestock Sales has a dedicated team based at the centre dealing with the sales and purchase of pedigree and commercial livestock. But it doesn't stop there... WLS also hold machinery sales, antiques and furniture auctions and food & craft fairs. We also have two conference rooms on site that are available to hire for business meetings, corporate events and training days.

The market is also the base for Morris Marshall & Poole's Rural Department.
