MONDAY 17TH AUGUST 2026

As witnessed at the end of last week in several other centres, trade harder work with all types of sheep back generally between £10 and £20 per head on last Monday. However, good numbers forward with a total 2,127 cull ewes retuning an overall average of £111.52 which is very respectable for August. The entry lacked strength this week with several runs of hill ewes and half meat ewes forward however buyers for all types and sizes like usual and helped by the presence of a couple of grazing and feeding men in the alleys. All crossbred ewes from £140 – £180 per head with quite a few very well-bred ewes and heavy ewes all over the £200 mark. Best Mules £140 – £170 per head with mediums Mules with meat mainly £115 – £135 per head. Leaner Mules anywhere from £80 – £110 per head. Strong Welsh ewes anywhere from £100 – £130 per head depending on size and cover, with medium Welsh all around that £60 – £90 per head and the smaller meat Welsh £30 – £55, with only a small handful of very small and lean ewes below £30 per head.

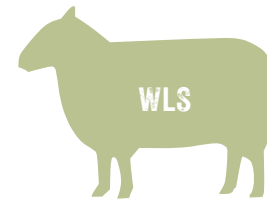

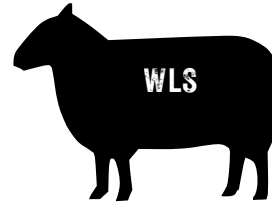

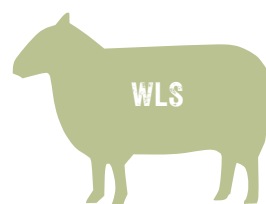

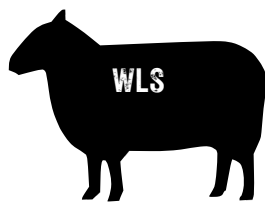

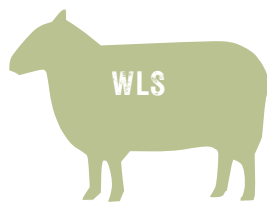

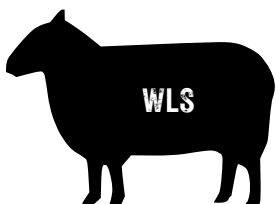

The ewes topped at £263 for a Texel ewe presented by Geddes & Co, Camlad Cottages. Cull ram trade similar to last week's trade with rams selling to the highs of £200 for rams presented by DO Gethin, Pencoed. Numerous crossbred rams £150 to £180 with hill rams anything from £100 to £140.
