Cattle Identification:

All vendors **must** ensure that they have completed all documentation relating to the cattle, including the movement form. This information will be passed onto purchasers. The auctioneers accept no responsibility for its accuracy.

Cattle born after 1st January 1998 must be double tagged.

All paperwork and passports must correspond and accompany all animals on day of sale.

Conditions of Sale:

Stock is sold under the usual conditions of sale.

Dangerous Animals:

Do **not** bring any cattle to the market, which you know to be dangerous.

Biosecurity:

- (i) Clean rubber boots and waterproofs must be worn to allow access to penning areas.
- (ii) Vendors with unsold stock will have to cleanse and disinfect prior to re-loading.

Time of Sale:

Sale will commence at 11:00

T.B. Testing:

Pre-movement TB testing of animals over 42 days of age from 1 & 2 yearly testing areas is now compulsory. Therefore, all cows **and calves** over 42 days of age on the day of sale **must** have been TB tested within 60 days of the sale date.

You will be required to provide the auctioneers with documentary evidence of the individual animals either prior to the sale, or on the sale day.

Farm Assurance:

Vendors with amendments to their farm assured status **must** notify the market office immediately. The onus for correctness of information supplied to purchasers' rests solely on you, the vendor!

Thank you for your co-operation.
